Type	Store furniture

DETAIL

This modular wall storage system makes it easy to organise clothes, accessories and folded items thanks to a variety of configurations featuring hanging rails, display rails and shelves. Its modular design also allows several units to be placed side by side to create a wall unit several metres long. The black steel frame and oak wood provide a sturdy and elegant solution for professional shop fitting.

DESCRIPTION

This **wall-mounted shop fitting system** combines a matt black steel frame with a **solid oak shelf**, creating a look that is modern, warm and professional. Made in Italy, it is particularly well-suited to fashion boutiques, concept stores and showrooms.The unit measures **100 cm wide and 240 cm high**. The metal uprights have a profile width of **5 cm** and allow accessories to be positioned according to display requirements.
