DETAIL

Our rolling clothing racks will make it easier for you to sell outdoors or move from your reserve.
Our design clothing racks will enhance your presentations in your store layout and our height-adjustable or expandable clothing rails will allow you to adapt to the season and collections of your store.

DESCRIPTION

Adjustable black straight rack on wheels

150 cm wide, extendable to 220 cm. Fixed height of 160 cm.

80 mm locking wheels

Reinforced tubing, sturdy 80 mm castors for greater resistance to load and movement.

Discover our wide range of professional straight racks and be sure to find the right rolling racks for your needs and your business.

These wheeled racks are ideal for intensive use in showrooms, markets and storerooms.

Max supported weight: 80 kg
