Designed for professional decorative use, this artificial Japanese maple requires no maintenance and retains a natural appearance all year round. It is an ideal solution for boutiques, concept stores, hotels or restaurants wishing to incorporate sustainable plant decoration. Placed in a decorative pot or a designer pot cover, this large-format artificial plant fits perfectly into store and window dressing projects.

DESCRIPTION

This 330 cm Butterfly artificial Japanese maple is an impressive decorative piece designed to create a natural ambience in shop windows, boutiques and commercial spaces. Inspired by real Japanese maples, it features delicate foliage and slender branches that add lightness and elegance to your decor. Thanks to its great height, this **artificial plant** makes it easy to dress up a **sales area, showroom or reception hall**. It creates a strong focal point in a shop window or shop while adding a refined plant touch.
