DETAIL

This modular shop-fitting display unit can be extended with additional modules to create a wall display spanning several metres. The interior levels can be fitted with hanging rails, shelves or a combination of both, making it easy to adapt the display to suit the collections and the shop’s requirements.

DESCRIPTION

This **double display rack for shops** combines an ecru RAL 1013 metal frame with oak-finish shelves to create a bright and welcoming display. It is ideal for ready-to-wear boutiques, concept stores and showrooms wishing to organise several product ranges on the same display unit.Measuring **209.4 cm wide, 44.2 cm deep and 240 cm high**, it offers ample display capacity. The unit comprises **2 hanging rails and 6 wooden shelves** for displaying hanging garments, folded items, shoes or accessories.
