DETAIL

With overall dimensions of 104 cm wide, 69 cm deep and 158 cm high, this centre gondola fits easily into a retail space whilst optimising product display. The frame is 140 cm high, the top shelf measures 1046 x 674 mm and is 18 mm thick, and the frame is made from 4 x 2 cm steel tubes for good stability.

This white shopfitting is ideal for creating a modern retail environment and is easy to integrate into a professional merchandising project.

DESCRIPTION

This **white shop display unit** is an elegant and functional **shopfitting solution** for ready-to-wear boutiques, concept stores and showrooms. Its minimalist Italian design combines a white powder-coated steel frame with a white top shelf to create a bright, sleek and professional display. The **100 cm** hanging rail allows you to display jackets, shirts, dresses or trousers on hangers, whilst the top shelf offers additional space to showcase accessories, bags or folded garments.
