DETAIL

With dimensions of 104 x 69 x 140 cm, this display unit offers a compact design suitable for central areas in fashion boutiques, concept stores and showrooms. The top shelf measures 104.6 x 67.4 cm and is 25 mm, whilst the three side shelves measure 60 x 40 cm. The steel frame is made from 4 x 2 cm sections. The combination of white and an oak finish creates a bright and warm look, particularly well-suited to creating a modern and structured merchandising space.

DESCRIPTION

This central shop display unit combines a powder-coated white steel frame with a top shelf and three side shelves in an oak finish. It allows you to display clothes on hangers, folded items, accessories and shoes all at the same time. The configuration includes **two 100 cm hanging rails**, one **60 cm side rail** and a double front rail, providing several display areas on a single unit.
