DESCRIPTION

Multifunctional storage unit for industrial style store with 3 open shelves and 2 shelves behind the door. The shutter style door opens with light pressure. Inside the cupboard, the position of the shelves of this store unit is adjustable. The mix of solid iron frame and composite wood shelves provides excellent stability for this store cabinet. Load capacity of the upper plate: 30 kg. Use this storage cabinet not only as vintage furniture in your store and also place it in your office or showroom.
