DESCRIPTION

Industrial-style console table that combines the warmth of rustic elements with the clean lines of matte black iron legs. This console will harmonize perfectly with a rustic, industrial or modern decor in your stores, offices and showrooms. This console table is designed with a sturdy iron frame and a durable engineered wood table top, giving you a result at an affordable price.

Entrance table 100 x 35 x 80 cm is ideal for heavy decorations, books, objects ... (max load capacity: 20 kg for the table top, 5 kg for the bottom shelf).
