DETAIL

Thanks to its modular wall-mounted system, the height and layout of the shelves can be adapted to suit the desired merchandising. The 5 cm wide uprights offer various fixing points spaced 10 cm apart, making it easy to change the display. The system can also be supplemented with hanging rails, display bars, additional shelves and other accessories, or extended with several modules to create a wall display several metres long.

DESCRIPTION

This **wall-mounted shop display system** combines two matt black steel uprights with **six wooden shelves**, to create an elegant and functional vertical display. Measuring **100 cm wide and 240 cm high**, it makes the most of wall space whilst providing several levels for displaying folded clothes, shoes, bags or accessories.Made in Italy, this professional shopfitting furniture is suitable for fashion boutiques, concept stores, showrooms and retail spaces.
