

# White T-connector for three-phase LED track **0.00 € Ex VAT** 3-circuit track system

## FEATURES

<b>Brand</b>	Eclairage
<b>Base Fitting</b>	
<b>Color</b>	Blanc
<b>Ref ID</b>	con-bla-en-4010 4010
<b>Delivery schedule</b>	1-5 working days
<b>Category</b>	3-circuit track system
<b>Type</b>	Store lighting

## DETAIL

### Features:

- **Universal Compatibility:**
- This T-connector is compatible with most three-phase LED rails, providing a universal connection solution for your lighting system.
- **Easy installation:** Simply place this connector between two segments of rail to create a strong and stable connection, without the need for special tools or technical skills.
- **Quality Material:** Made from durable plastic, this connector is designed for long-term use in a variety of lighting environments

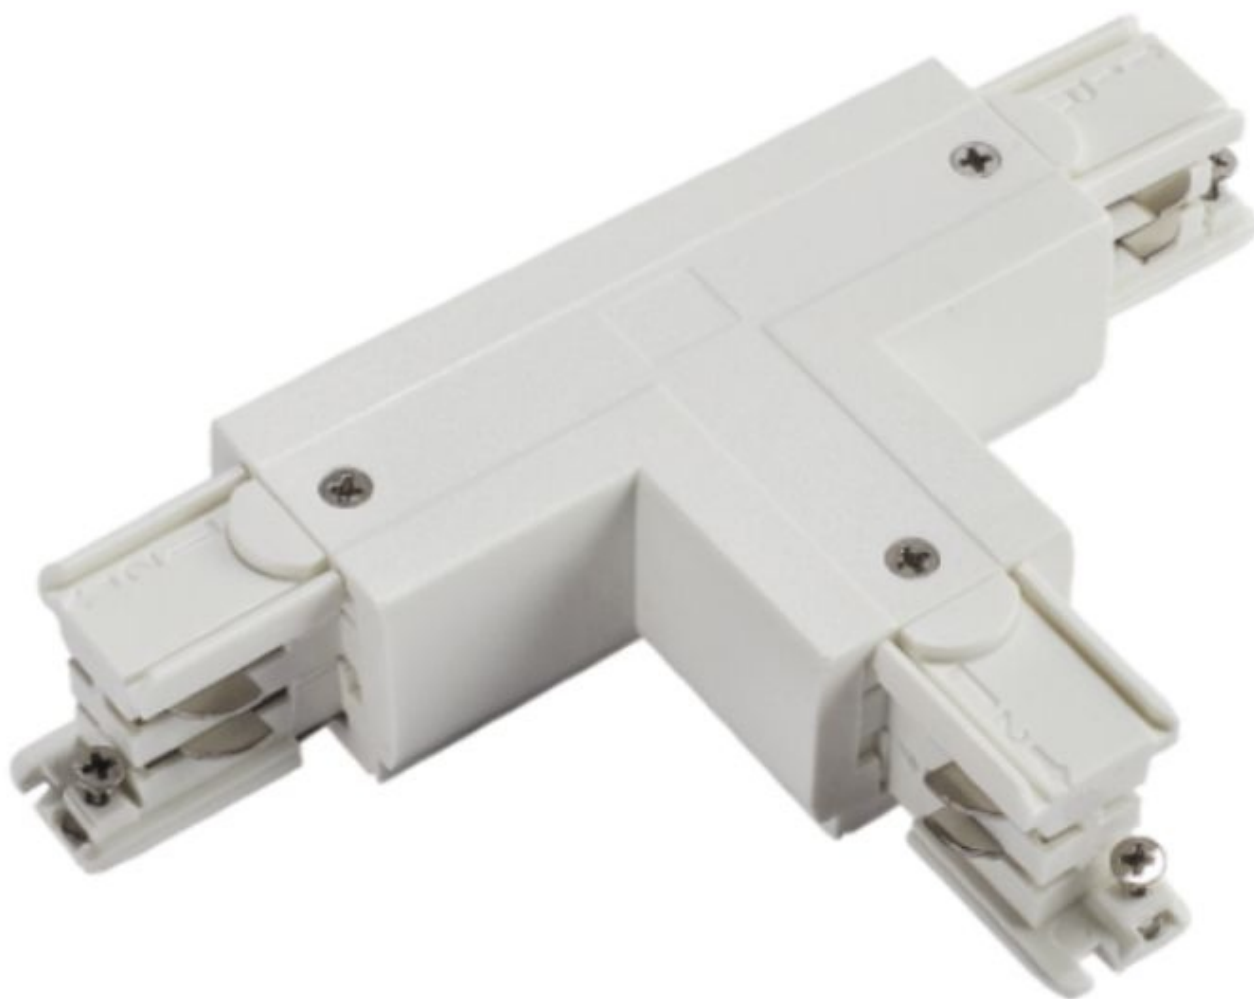

## DESCRIPTION

Optimise the configuration of your **LED lighting three-phase** with our White T Connector for **Three-Phase LED Track**. This handy adapter easily connects two segments of **three-phase LED rail**, providing a flexible solution for extending or modifying your existing lighting system. Its T-shaped design ensures a stable and secure connection, guaranteeing an even distribution of power between the rails. **Packaging content:**

- 1 x White T Connector for 3 Phase LED Track - Convenient Adapter Make it easy to expand and modify your three-phase LED lighting system
