### DETAIL

Designed for retail and decoration professionals, this 30W black LED spotlight with 3500K natural light combines aesthetics, visual comfort and efficiency. It is ideal for illuminating products without distorting colours, whether in shop windows, high-traffic areas or above shelving. Its compatibility with three-phase track means it can be easily repositioned to suit merchandising needs. Its discreet design and light output make it a reliable solution for even, fluid lighting that is perfectly integrated into your layout concept.

### DESCRIPTION

This 30W black LED **spot** is designed for three-phase track installation. It diffuses **natural light at 3500K**, perfect for faithfully reproducing colours while creating a pleasant atmosphere. Its adjustable head allows the light beam to be directed as required, offering great flexibility in **shops, showrooms or galleries**. Its sober, compact design blends discreetly into any professional environment. Robust, energy-efficient and high-performing, this spotlight is the perfect ally for effectively structuring the lighting in your spaces.
