### DETAIL

This cool light LED spotlight is the ideal choice for functional and efficient lighting in sales areas, offices or galleries. The 6000K colour temperature promotes optimum visibility, while enhancing the natural colours of the products on display. It moves easily on three-phase track to keep pace with your merchandising. This model combines lighting performance, modernity and ease of integration to meet the expectations of demanding professionals.

### DESCRIPTION

This 30W black **LED spotlight** diffuses cool white light at 6000K, perfect for highlighting product details or creating a crisp, dynamic ambience. It is designed for three-phase tracks, ensuring compatibility with the majority of professional installations. Its aluminium body guarantees strength, lightness and good thermal management. Thanks to its adjustable head, it provides precise lighting, adaptable to all configurations of **stores, shop windows or commercial spaces**.
