#### DETAIL

This green light LED projector is ideal for signs with a strong visual identity or for commercial events that want to stand out. It naturally attracts attention in shop windows, on products or in promotional corners. Easy to move on a three-phase rail, it adapts to your merchandising needs. This model adds a touch of creativity to your professional lighting, while offering a reliable technical solution that's easy to integrate.

#### DESCRIPTION

This **30W LED spotlight** in black finish diffuses a distinctive **green light**, perfect for bold, original installations. Compatible with three-phase track, it is easy to install and can be aimed as required. Its green light can be used to create strong visual contrasts or set a thematic mood. The robust aluminium body of the spotlight guarantees good heat dissipation and optimum longevity, even under intensive use.
