DETAIL

With its unusual purple light, this LED spotlight is perfect for catching the eye and creating an immersive atmosphere. It fits easily into window displays or retail spaces that rely on visual impact. Mounted on a three-phase track, it moves easily to suit lighting requirements. This model appeals to professionals looking for differentiation, bringing a bold, dynamic style to their visual presentations.

DESCRIPTION

This **black 30W violet light LED spotlight** is designed for standard three-phase track installation. It features an aluminium swivel body for efficient heat dissipation and robustness. The violet light offers a striking aesthetic, ideal for modern **boutiques, concept stores or event areas**. Thanks to its mobile structure, the spotlight can be precisely aimed to illuminate key areas or create an original atmosphere.
