### DETAIL

This 1500 lumen white LED spotlight is perfectly suited to the needs of demanding boutiques, showrooms or businesses. Its lighting power enhances the visual impact of strategic areas while maintaining low energy consumption. Thanks to its swivel head, it offers great layout flexibility. Easily repositioned on a three-phase rail, this professional spotlight blends into any environment with restraint. Ideal for enhancing your products, optimising window displays or creating controlled atmospheric zones.

### DESCRIPTION

This directional **white LED spotlight** delivers a **bright luminous flux of 1500 lumens**, providing crisp, precise lighting for all types of retail space. It installs easily on a three-phase track and allows directional adjustment to highlight targeted areas such as **windows, walls or product islands**. Its high-quality light ensures faithful colour rendition while guaranteeing excellent visual comfort. Sober design, quick installation and reliable performance: this spotlight is a versatile solution for professionals looking for efficiency and discretion.
