<b>Category</b>	Led lighting
<b>Type</b>	Store lighting

### DETAIL

Designed for shops, showrooms and spaces where lighting quality is crucial, this LED projector faithfully restores the shades of the products on display thanks to its high CRI. Its warm light highlights textiles, objects or surfaces with elegance and visual comfort. Three-phase track mounting makes it easy to rearrange the lighting to suit merchandising needs. This spotlight combines luminous performance, discreet design and high rendering quality for optimum presentation.

### DESCRIPTION

This **30W white LED spotlight** diffuses a **warm light at 3000K** with excellent colour rendering thanks to its **CRI index greater than 93**. It offers a **light output of 2300 lumens**, suitable for the demanding needs of retail spaces. This model installs easily on any standard three-phase track and allows precise orientation thanks to its pivoting head. Its robust aluminium design ensures good heat dissipation, long life and discreet, elegant integration into any professional environment.
