#### DETAIL

This 60cm 15W LED luminaire is ideal for professionals looking for soft, high-quality ambient lighting. Its warm light at 2700K is perfectly suited to environments that want to enhance the feeling of comfort and proximity, such as shops, restaurants or showrooms. Thanks to its modern black finish, it blends easily with any interior style. Energy-efficient and easy to integrate, it can be used on its own or in series for continuous, balanced lighting.

#### DESCRIPTION

This 60cm black linear **LED luminaire** combines understated design with efficient light performance. It offers a **power of 15W** and diffuses a **warm light at 2700K**, perfect for creating a warm and welcoming atmosphere in commercial spaces. Thanks to its compact size, it can be easily integrated above a **counter, in a shop window or along a wall**. Made from robust materials, it is designed for intensive professional use. This model is a simple, elegant and functional lighting solution.
