DETAIL

Mannequins Shopping, specialist in window mannequins and store fixtures, offers you a whole range of accessories for professional hangers. Thanks to its simple and refined design, this wooden hanger fits perfectly in a modern merchandising for a beautiful display of your products. This wooden hanger is very resistant and made in Europe with FSC certified wood.

DESCRIPTION

Pack of 10 Raw Wood Hangers - 44 cm Discover the **Pack of 10 hangers**, a perfect choice for **fitting out your store**. These 44cm professional hangers are made from raw wood and feature a 3.4mm satin chrome hook, combining elegance and strength. They are designed to *hang and display your items* with optimum emphasis in your **retail business**. The neat design of the hangers ensures an attractive presentation of your garments, perfectly complementing **window mannequins** and **mannequin busts**. With these hangers, you can rest assured that your items will stay in place, without the risk of finding them on the floor. They are essential for any **store equipment** aimed at providing a high-end shopping experience.

- Sustainable material: high-quality raw wood

10 Wooden hanger for stores 44 cm

- Element design: 3.4mm satin chrome hook
- Ideal size: 44 cm, suitable for various types of clothing
